

PUBLIC NOTICE
PROPOSED REDEVELOPMENT WORKS AND RELOCATION OF ASHES
at

ST PAUL'S ANGLICAN CHURCH BANKSTOWN
459-461 CHAPEL ROAD, BANKSTOWN NSW 2200

Redevelopment works are proposed to be undertaken at St Paul's Anglican Church Bankstown which involve changes to part of the existing memorial and interment areas within the church's rose garden.

As part of these works, it is necessary to carefully remove and reinter ashes that are currently located in the rose garden so that they can be respectfully placed in a new memorial space that will be constructed as part of the church development on the same site.

Where applicable, all existing plaques, plinths and other memorial elements will also be considered as part of the relocation process.

The project is anticipated to commence in November 2026 and be completed early 2029.

Request for information and contact

The church is seeking to identify and contact any family members, representatives, descendants or other persons connected with ashes interred within the affected area.

If you believe you may be connected to an interment located at St Paul's Anglican Church Bankstown, or you may have relevant information regarding a person interred at the site, you are encouraged to contact the church.

We understand this may be a very sensitive matter for family and friends of those who have been laid to rest at the rose garden, and we would like to provide affected persons the opportunity to share any views, requests or concerns about the proposed reinterments.
